

RETHINK CORPORATE PAYMENT.

A woman with long, dark, wavy hair, wearing a dark business suit and a gold watch, is smiling and holding an iPhone to pay at a counter. The phone screen shows the Apple Pay interface with a card and a payment amount. A payment terminal is visible on the counter. The background is a blurred office setting with large windows.

AirPlus Corporate Card
with Apple Pay
**The safe and fast way
to pay on the go**

Using your AirPlus Corporate Card with Apple Pay

Apple Pay is a contactless, safe, and fast way to pay on the go

Tap | Pay | On your way

The AirPlus Corporate Card makes corporate payment simple, safe, and smart. Now it's even easier with Apple Pay. Apple Pay is accepted all around the world, virtually everywhere corporate payment takes place. Just look for the contactless symbol:

- > Hotels
- > Restaurants
- > Taxis
- > Transportation
- > Gas stations
- > Parking
- > Online

and much more.

The benefits of using the AirPlus Corporate Card with Apple Pay

- > Quick contactless payments with the Apple devices you carry every day
- > Secure and private transactions
- > Easier, faster way to pay
- > No need to enter your PIN, keeping you from touching buttons when making business payments

How to set up your AirPlus Corporate Card.

1. To use Apple Pay, add your AirPlus Corporate Card through Apple Wallet or AirPlus Mobile: AirPlus Mobile in the [App Store](#).
2. Open the Wallet app on your Apple device and tap the "+" sign.
3. Enter the card's security code to add the AirPlus Corporate Card affiliated with your iTunes account. Or select "Add a different card" and use your iPhone camera to scan the card information.

In Germany, Apple Pay is also available to holders of the AirPlus Private Card.
