

AirPlus International. Payment Solution For Travel Management Companies.

AirPlus is your company's optimal solution for effective travel payment. AirPlus has its origins in travel and understands the nuances of the industry better than other financial payment providers. We recognize the challenges involved in managing cash flow as a Travel Management Company. Our solutions cater to your specific needs with benefits, including an additional line of credit, flexible billing and detailed custom invoicing.

Partnership Benefits

Client Invoicing

- > Increase your cash flow with extended payment flexibility by outsourcing your client invoicing
- > Receive ARC-level transaction data on purchases with more time to pay
- > Improve productivity and internal efficiencies with reduced accounting activities
- > Detailed custom invoicing
- > Ease of reconciliation
- > Flexible credit for seasonal fluctuations

Operational Expense

- > Single-use virtual payment for operational use, such as:
 - Memberships
 - Industry Event Registration
- > Virtual Cards secured by limit, vendor, and expiration
- > Reduced ARC fees using AirPlus central bill
- > Fraud Mitigation
- > Line item data capture with each card, combined on a single statement
- > Capture of reconciliation data, such as purchase order, cost center, etc.

Internal Travel

- > Additional line of credit to cover all travel costs
- > Centralized, virtual payment specific to travel expenses
- > Enhanced data capture, such as GDS record locator, client code, etc. – up to 9 additional data fields per transaction
- > Fully reconciled invoice, saving time on manual allocation
- > Limit credit exposure on corporate cards
- > Reduce and/or eliminate use of personal cards and travel advances

AIRPLUS. YOUR **TRAVEL PAYMENT** COMPANY.

Gold Standard Features

AirPlus services have unique standard offerings. Each product provides a secure method of payment with the lowest levels of fraud in the industry. AirPlus statements can be customized to best suit your operation, with flexible billing cycles and the ability to integrate into expense and financial systems.

Save Money as an AirPlus Merchant

AirPlus and UATP merchants receive a significantly lower rate when processing transactions across our central bill. This can be utilized when paying for consolidator tickets, hotel mark-ups, or advance deposit purchases.
