

# AirPlus A.I.D.A. Virtual Cards are fully integrated with Conferma

Launching virtual cards has never been easier. AirPlus A.I.D.A Virtuals Cards are fully integrated into the Conferma network. This allows you to automatically generate single-use virtual cards whenever you need them quickly and easily.

## AirPlus & Conferma

- Global partnership since 2008
- Simplified online implementation
- Data exchange back to AirPlus
- Failsafe if systems are down, Conferma still functions
- Mobile app for traveler
- Secured email delivery of VCN number to hotel

Now you have the most secure, transparent, easy-to-manage travel payment solution at your fingertips all while increasing your traveler’s satisfaction.
